Email: cswan@cdac.in Website: www.cdac.in

Cert-In Empanelled Organization

ID # CH/ISS-CT-2019/843

Audit Certificate

Application Name MPEZ Special Economic Zone

Test URL <http://61.2.47.245/>

Test dates 26th August 2019 to 18th September 2019

Conclusion Web application is free from OWASP vulnerabilities and any known vulnerabilities. It is safe for hosting.

Production URL www.mepz.gov.in

Recommendations:

1. Website may be considered safe for hosting with read only permissions **YES**
2. The production server should have operating system and web server hardening done.
3. Entire website should be hosted over HTTPS
4. The Server should be physically protected from unauthorized access.
5. Sanitized logging and regular monitoring of the logs is recommended. Logs should be maintained for a period of 1year or more where ever deployed.

Note:

- The certification is valid till no changes are done on the application's dynamic content or one year from the date of issue whichever is earlier.
- The Certificate is generated based on the enclosed report.

Date of Issue: 18-09-2019
